Printing of the note books for the Municipality at the K V V Press Mysore

7) The Municipal Commr explains in detail, the circumstances under which the work of printing note books of the Mcty was entrusted to the K V V Press and has forwarded the file of papers for his perusal. It is seen from the letter of the Mcpl Commr that the Mcty had called for tenders and that the quotation of the K V V Press was the lower of the two tenders offered the high rate now to be ~~paid~~ paid to this Press was stated to be due to the fact that the paper supply was difficult. There was also costly labour charges. It is brought to notice that a sum of Rs 500 has already been paid to this Press and the balance of Rs 100 has to be paid now. He requests that in future, at least, Govt Press may be instructed to supply the forms & registers required by the Mcty, so that payment of

(4738/391) Printing of the above books for the Hyderabad Legislature by the K.V.V. Press.

Such exorbitant rate may be severely condemned and also that the present existing rate may be sanctioned. It is stated to be according to the accepted tender rates for the year 1947-48 Govt. Orders.

The President, City Municipal Council, Mysore

Sir,

I have the honour to state that the Superintendent, Government Central Press, Bangalore, was requested in this office letter No M 10 F C R 344 dated 16th September 1947 to print and supply 200 Notice Books of 100 pages each for the immediate use of the Revenue Section In reply he stated that he could not get them printed on the ground that it was not one of the prescribed common forms of M A-M

Thereon a reference was made to him on 23-9-47 pointing out that the form was a prescribed one under article 70 of the Municipal Manual and also under Art 95(3) Schedule 10 of Municipal Regulation and that it was being printed and supplied to this Municipality from the Government Press from a long time After reminders issued on 9-10-47, 27-10-47 and 6-11-47 the Superintendent Govt Press again wrote to say that the books may be got printed locally

Under the circumstances and in view of the Municipal revenues the work was entrusted to Messrs K V V-Press, Mysore, who are the tender contractors for printing for the year 1947-48 The books were duly received and are being issued to the Revenue Section for use A bill for Rs 600/- has been received for payment from the Press Under article 27(d) of the M A M sanction of Government is required to pay the bills exceeding Rs 500/- for printing works done in private presses I, therefore, request that sanction of Government may kindly be obtained for payment of the bill in question The amount will be met from the provision under 'Forms and Registers

Sir,

Re - Printing of Notice Books

With reference to your letter No L 18065 dated 23-6-48 Re: the payment of the Bill of Rs 600/- of Messrs K V V Press Mysore, for having printed 200 notice books, required for the collection of Mohatarfa taxes of this Municipality, I have the honour to state as follows -

These notice books were being supplied from the Government Press from a long time as the notice is one of the forms prescribed under the Municipal Act and Account mannual It is also being included in the Annual Indent for the supply of Forms and Registers from the Government Press

Accordingly the Superintendent Government Press was requested early last year ie , 28-8-47 in this office letter No F C R 344 /47-48 to supply 200 books for immediate use as notices had to be issued for the recovery of arrears of mohatarfa taxes In reply he wrote that it was not a prescribed form at all After the provision for the form was pointed and after prolonged correspondence he again wrote in his letter No 1447 dated 4-11-47 that only such of the forms as were common to all the Municipalities (this form is also common to all the Municipalities except for the insertion of the words " Mysore City Municipality")would be printed and requesting that the Notice Books may be got printed at a Private Press

Thereupon messrs the K V V Press were the tender contractors for printing Municipal proceedings etc , for 1947-48 were requested on 14-11-47 to print and supply the 200 books immediately In reply they wrote that as no paper was available in the market (the tender

(the tender was that they would print and surply our requirements subject to the availability of paper) Hence the Superintendent was once again requested to supply these books to which a reply was received with his letter No 1925 dated 30-12-47 inviting - reference to his previous letter of 4-11-47 wherein he had suggested that the books may be got printed in a Private Press

As by this time the first half year was over and arrears of taxes had accumulated and as there was inordinate delay in the issue of notices to the defaulters in the absence of notice books, Messrs K V V Press were sent for in person and persuaded to print and surply the notice books by somehow procuring the paper The books were accordingly supplied within 15 days The rates charged for these books is according to their rates for printing accepted by the council for 47-48 which works out to Rs 600/- Though the rates for printing is somewhat high, it has to be mentined that owing to uncertainty of labour and material there were only two tenders and the council accepted the lower of the two tenders When the bill was presented sanction of Government was sought forunder Art 27 (d) of the Municipal Account Manual as the amount of the bill exceed Rs 500/-

In this connection it has to be stated that the notice books ought to have been supplied from the Government Press in time Failure to do so resulted in inordinate delay in the issue of notices and loss of revenue and also to the payment of exhorbitant rate for printing work The rates claimed are as per accepted tender rates and the press cannot accept the usual Government schedule rate which could be worked out only at leisure in the Government Press where plenty of labour and material is at hand and when there are no other urgent works All this troublex and expense could have been avoided if the Government Press had supplied the books as usual

The Contractor pressed for payment in view of his having got the work done immediately by procuring paper and labour at exhorbiten rates which had to be paid for, a sum of Rs 500/- has already been paid on 5-2-48 with holding a reserve of Rs 100/- pending formal sanction of Government

I therefore request you to kirdly obtain sanction of Government to the payment of the bill for Rs 600/- which is according to the accepted tender rates for 47-48

The Superintendent Government Press may also be requested to supply for s and registers promptly to avoid their being got printed in private press at high rates in view of the non-availability of paper etc ,

The entire file is enclosed for favour of ready reference and kind return

I have the honour to be,

Sir,

Your most obedient servant,

Municipal Commissioner.

It was for these reasons that the Press did not print this particular form for the Mysore City Municipal Council. All efforts are being made for the supply of forms and registers due from the Government Press in time, in spite of overwhelming work in the department and want of adequate machinery and supplies of paper
